No More Dust.

VETERAN DUST EXTERMINATOR SWEEPING COMPOUND

is the successful result of years of diligent study and careful experiment. It is not a liquid, but is manufactured in granulated form. An every day necessity, not a luxury. It absorbs dirt and prevents dust from rising during the process of sweeping. It makes bare floors clean and smooth, saves scrubbing, kills the dust and germs, brightens up old carpets and rugs, obviates disastrous consequences of an inevitable cloud of dust while sweeping the old way.

Used on Floors, Tiles, Linoleums, Oil Cloths, Carpets and Rugs, and possesses properties that firmly grip the dust and dry-cleans them.

Practically Indispensable for Dwellings, Offices, Stores, Warehouses, Public Buildings, Schools, Colleges, Hospitals, Churches, Theatres, Halls, Restaurants, Hotels, Factories or whatever microbe-infested dust accumulates on floor space.

It is inexpensive; pays for itself by saving hundreds of dollars in damaged goods each year, and it is guaranteed to do the work of exterminating dust.

Dust Breeds Consumption. Dust is extremely disagreeable as well as dangerous, everybody admits that and argument is unnecessary. Dust is destructive, hence the necessity of using a Sweeping Compound of Established reputation and dependable quality, being guaranteed Antiseptic and a Disinfectant.

Carpets, Rugs and Art Squares

Why take up carpets and beat them to pieces when the Veteran Dust Exterminator Sweeping Compound will gradually clean them where they are and bring back their original colors on the floor without taking them up? This sweeping Compound does not lay the dust, but removes it from the floor by absorption. No dust rises and sweeping becomes an unalloyed pleasure instead of nasty drudgery.

AFRAID TO TESTIFY.
"I do not dare testify. My family and my relatives have been made to suffer, and if I tell my story my life will be taken."

Parque Oshinero, his face and neck bearing scars, sat in the witness chair for an hour in New York, yesterday, facing Giuseppe de Salvo and Emile Falcoor, two of a quartet charged with knocking him down, stabbing him, and robbing him of \$50 and a gold watch.

But despite the entreaty of the Italian interpreter, the pressure of the assistant district attorney, and the commands of Judge Rosalesky, he refused to say a word damaging to the defendants.

"When a condition like this can occur in our courts," said Judge Rosalesky, "it is clear that this country is facing grave problems. It is a situation in which justice is paralyzed."

Sufferers who say they have tried every thing without benefit are the people we are looking for. We want them to know from glad experience that Ely's Cream Balm will conquer Cold in the Head, Hay Fever, and obstinate forms of Nasal Catarrh. This remedy acts directly on the inflamed, sensitive membranes. Cleansing, soothing and healing. One trial will convince you of its healing power. Price 50c. Bright and Steady

The Rayo Lamp

A bright and steady light depends upon the construction of the lamp.

The best skill has put forth its best effort in perfecting the Rayo Lamp.

As the air is fed to the flame—so does the light burn. The easy-flowing current of air through the air-tube of the Rayo Lamp secures a uniform light, with never a flicker or flare.

The ideal family lamp. Made of brass throughout and beautifully nickelled.

The Rayo is a low-priced lamp, but you cannot get a better lamp at any price.
